

**What is it:**  Barnet Family Service is developing a new strategy called My Say Matters because we want children and young people to not just have a say, but be listened to.

**Why are we meeting:** 

We are working with a media production company who needs your help to produce a video that will explain what My Say Matters means.

You are invited to come along to a **Creative Chemistry** session where you can find out more about the video and get involved in developing the script and other design elements of the video.

**When:** 26 January at 6pm - 7:30PM

**Where:** Virtual Meeting

**How:** contact us at [Childrens.WorkForce@barnet.gov.uk](mailto:Childrens.WorkForce@barnet.gov.uk) if you want to attend and we will send you the meeting invitation link

**What's in it for me?** A £20 shopping voucher and an opportunity to influence and improve the services young people use.
